WORK EXPERIENCE

Founder & Creative Director — Curate Media LLC (formerly KG Imagery LLC) Miami, FL | January 2021 – Present

Full-service creative agency — social media management, content production, AI marketing ops, photography, video, and brand strategy

- Launched a \$48 Meta Ads campaign generating \$2,785 in same-day booking pipeline value — a 58x return on ad spend on launch day
- Drove a 77% increase in Airbnb search-to-listing click-through rate (18.91% → 33.55%) within 61 days through listing optimization, professional photography, and SEO restructuring
- Reduced client average booking lead time by 48% (27.7 → 14.5 days) through listing and content strategy improvements, accelerating revenue cycle
- Generated 4,586 first-page Airbnb search impressions and 1,538+ average page views during an active campaign window across two managed listings
- Accumulated 223 Airbnb wishlist additions for client properties, signaling sustained guest demand beyond the active booking window
- Identified and implemented hero image sequencing strategy (twilight exterior as lead photo) to maximize listing click-through — zero-cost optimization with direct conversion impact
- Produced full Airbnb listing optimization across 5 content fields — titles, descriptions, amenities, neighborhood, and house rules — alongside a 10-page branded guest guidebook
- Developed a proprietary Lightroom LUT for brand-consistent photo editing across all client property photography
- Built and executed a structured 40/30/20/10 content calendar framework across Instagram, Facebook, and TikTok — 90+ posts/month, zero additional headcount
- Designed 18 custom campaign graphics for a FIFA World Cup 2026 Meta Ads campaign integrating paid and organic social with audience-targeted creative
- Delivered a 10-slide performance analysis deck with SWOT analysis, platform benchmarking, and a 90-day growth roadmap for client strategic planning
- Automated content scheduling and caption production via Claude API, reducing per-post production time by an estimated 60%
- Developed and executed an organic marketing strategy covering platform tactics, audience targeting, influencer/partnership outreach, and guest retention systems
